Funded by NIH/NICHD
Position held: Research Assistant and Fieldwork Manager
- 2007-** The Malawi Longitudinal Study of Families and Health (MLSFH)

Post Doctoral Fellowship, University of Pennsylvania
 Principal Investigator: Hans-Peter Kohler, Department of Sociology, University of Pennsylvania. Funded by NIH/NICHD
 Position held: MLSFH Project Manager, MLSFH Fieldwork Coordinator

2003- 2007 Malawi Diffusion and Ideational Change Project (MDICP)
 Principal Investigator: Susan Watkins, Department of Sociology, University of California at Los Angeles and University of Pennsylvania. Funded by NIH/NICHD
 Positions held: Research Assistant, Fieldwork Coordinator, Biomarker Coordinator

1998-2000 United States Peace Corps
 Malawi, Africa 1998 – 2000
 Position held: AIDS/Public Health and Community Development Volunteer

FELLOWSHIPS AND GRANTS

2008 University of Pennsylvania, Population Aging Research Center (PARC)
 Co PI (with Hans-Peter Kohler and Beth Soldo)
 Supplemental funding for biomarker collection in Malawi

2007 University of Pennsylvania Population Aging Research Center (PARC) Supplemental
 Funding for MDICP Migration Study

2004 Health and Society in Africa Research Grant, University of Pennsylvania,
 Department of History and Sociology of Science

2003-2007 NIH/NICHD T32 Training Grant Fellowship

COURSES TAUGHT

Population and Society (undergraduate), University of Pennsylvania, Summer 2009

COURSEWORK

Courses 2003-2004: Demographic Methods, Quantitative Research Methods 1 & 2, Introduction to Demography, Fertility, International Health Policy, Seminar on Health in Africa.

Courses 2004-2005: Demographic and Economic Interrelations, Categorical Data Analysis, Population Processes: Mortality and Aging, Methods of Social Research, Biodemography, Event History Analysis.

SKILLS

- Grant-writing ability: Contributed to several successful grants while at University of Pennsylvania
 - Project management: Survey and biomarker data collection in developing countries

- Computer programming/data management proficiency: Stata, CPro, SAS, SPSS, Access, Epi Info
- Data management: Extensive experience in managing large datasets

OTHER ACADEMIC AND PROFESSIONAL ACTIVITIES

Membership in Professional Associations:

- Population Association of America
- International Union for the Scientific Study of Population
- American Sociological Association
- Global and Transnational Sociology Association

Representative, Graduate Student Academic Council, University of Pennsylvania, 2005
