

In this first section, we are asking questions about education. For each question there is a place to record answers for 4 people: yourself, your twin, your current spouse if you are married now, and your first spouse if you have been married more than once. If you were married in the past but are not married now, record your answers in the column for "Your First Spouse." If you don't know the answer to any question, please make your best guess. Even your approximate answers will be very important to us.
