

Penn @ PAA 2021

Every year several researchers at the PSC/PARC present scholarly research papers and/or professional posters at the Annual Meeting of the Population Association of America. In addition, several researchers participate in the conference as chairs, panelists or discussants. Below is a list of PAA Sessions with current Penn Students, Faculty, Postdocs and recent Graduates. Penn affiliated people are bolded.

Access everything for the PAA 2021 Annual Meeting through the [meeting platform](#). To see the Session Details (linked throughout the document below) you must first be logged into the meeting platform.

1. Access the platform at this link: <https://paa2021.secure-platform.com/>
2. Bookmark the link so it is easily accessible.
3. Log in using the same username and password you use for PAA Online (where you registered for this meeting).

You will be able to peruse the sessions, the posters, and take advantage of features that will help you organize your PAA 2021 experience. Take this time to build your schedule by clicking the star next to any session or poster to add it to your favorites list. You can also download calendar invites to add any session to your personal calendar in Google, Outlook, or Apple. Tour the platform with this [video overview](#).
